

# **Board establishes committees, invites co-owners to join**

To encourage more co-owner participation, the HOW Board has established several committees. They are:

**Executive** - Oversee vendors, help with special projects, seek new Board nominees

**Finance** - Develop and oversee budget

**Communications** - Website, newsletter

**Entertainment** - Picnic, community events

**Community** - Bring families together through hobbies (walking, euchre, bowling, etc.)

**Grounds** - Oversee landscape and snowplow vendors and projects

**Neighborhood Watch** - Safety/traffic

**Welcome/Departure** - Welcome new residents; touch base with departing families

Whether your skills are finance, engineering or party-planning, there's something here for everyone. It doesn't have to take much time.

Please plan to join one of the committees. Just contact one of

the Board members listed on the other side of this card. We look forward to hearing your ideas!!

## **Board of Directors' meeting set for Saturday, Dec. 6**

The next meeting of the H.O.W. Board of Directors will take place Saturday, Dec. 6 from 9 to 11 a.m. at the Waterford Township Parks and Recreation Building, corner of Hatchery and Crescent Lake (the former police station). If you would like to attend or have an item for the agenda, please contact a Board member at:
